Lunch will consist of sandwiches, chips, salad and dessert, with coffee, tea and punch. Our special servers will be our husbands, sons, sons-in-law, brothers and fathers. We are recruiting now for those positions.

The cost is minimal – just bring an item for the food bank.

If you have your wedding dress hanging in the closet and would like to bring it along, we are planning a style show of all the dresses. Other entertainment is also planned.

Reservations are required; please call Sue Schindley (419-668-2680) or Maryellen Hamernick (419-668-6874).

**AJ's Tidbits** – Did you know one of St. Joseph School's teachers is a retired Air Force colonel?

### **Fisher-Titus Medical Center Health Ministry Program**

Once thought to be a disorder that was "all in the sufferer's head", fibromyalgia, like arthritis, is now classified as a rheumatic condition. Its symptoms include pain and tenderness in muscles, ligaments and tendons throughout the body. The difference between the two is that, unlike arthritis, fibromyalgia is not a progressive disease, and does not involve inflammation or damage to the joints or soft tissue. If you think you may have fibromyalgia please talk to your health care provider.

*"Be of good courage, and He shall strengthen your heart, all you who hope in the Lord."  
Psalm 31:2<sup>1</sup>*
